

The yearly meeting of the Biomedical Photonics Network

Progress in Biomedical Photonics

will take place at the University Hospital Zurich, 5th of June 2007 10:00 to 17:00

We invite all those working in the area of biomedical photonics (medicine, biology, physics, engineering and industry) to attend the yearly meeting of the Biomedical Photonics Network (*bmpn*). The meeting will provide a great opportunity for the participants (young researchers are particularly welcome) to present their research and build personal contacts.

Registration is mandatory, please register here

One of the attractions of the meeting will be an **AWARD** for the best oral or poster presentation by a young researcher (≤ 35 years old). This **AWARD** is sponsored by FISBA Optik AG, St. Gallen.

Abstract deadline: 20th of May 2007. Abstracts are accepted as MSWord or pdf-files with font size 12 and include: Title, authors, affiliation, abstract text (<250 words). Abstracts may be selected for oral presentation, please indicate your preference (oral/poster). Please send abstracts to: martin.wolf@usz.ch

Program:

09:30-10:00 Registration, coffee and croissants
10:00-12:00 Presentations
12:00-14:00 Lunch and poster viewing
14:00-16:45 Presentations
16:45-17:00 Award presentation and closing

Organizers

Prof. H. Walt (heinrich.walt@usz.ch) & PD Dr. M. Wolf (martin.wolf@usz.ch)
University Hospital Zurich, Frauenklinikstr. 10, 8091 Zurich, Switzerland

Sponsors

The Swiss Society of Optics and Microscopy
The Center for Imaging Science and Technology ETH Zurich,
optETH of the ETH Zurich
